Professional Summary:

Strong leader and problem-solver dedicated to streamlining operations to decrease costs and promote organizational efficiency. Uses independent decision-making skills and sound judgment to positively impact company success.

Through my problem-solving experiences I've been seriously interested and engaged in software engineering and development. For over two years I have rigorously deep dove in applying JavaScript and TypeScript for creating intuitive Internet Applications.

I have over seventy certificates from LinkedIn Learning and Udemy several products of my own in applying what I've learned.
